Black and Tanned

Black slinky undergarments have long been the mainstay whenever a writer wishes to convey sensuality – and why not? The unrivalled sensation of running a hand up a black silk-clad thigh, only to caress a band of creamy flesh at the destination, is guaranteed to bring out goosebumps in males from 16 to 60 And when the lady adorned in such erotic garments is so endowed with sensuality that she can make grown men weak with just one smouldering, come-hither glance, it can't help but make this one of our best ever sets. ♣
